Could you resend those?

Thanks,

Hi Rebecca,

I will be on the road this afternoon, so today would not be good for us. We have meetings most of the day tomorrow, but are available to meet Thursday morning if this is a good time for the group. I will be working off site on Friday, so this is not a good day either.

As of today, we have seven candidate reviewers interested in this peer review. I will be sending you an update shortly with their names and CVs.

Thanks,

Betzy

Hi Betzy and David,

Tom has a conflict this Thursday (and next) at 2:00, so I am trying to reschedule the call. I've tentatively scheduled it for 3:00 this afternoon, but I haven't heard back from Tom yet on whether that will work for him. Please let me know your availability this week. Thanks,

Hi Betzy,

Thanks for the update. We look forward to talking to you next week.

Also, just in case there's any confusion, I want to clarify that even though the period of performance for this task order has been extended to August 31, we have regulatory deadlines and need to finish the peer review well before that date. We still need to stick to the time-frame in the task order.

Thanks,

Rebecca

We are currently working on contacting the candidates on our list and will keep you posted on our progress in recruiting potential reviewers.

Thanks again,

Betzy

Hi David,

Do you want to join our work group call at 2:00 this afternoon? We discussed this as a possibility last week. I leave it up to you to decide whether you think it would be useful-- just let me know.

Thanks,

Rebecca
